

X\$ales®

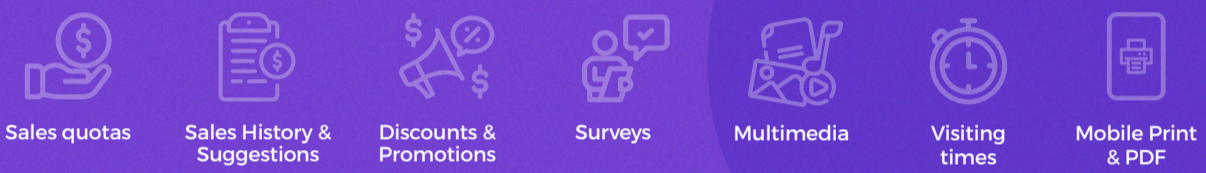

The one-stop solution for mobile sales execution

X\$ales® SFA provides Field Reps all the tools and information they need to improve their multi-dimensional sales execution, exceed their quotas and increase customer satisfaction.

1 It covers the entire sales process

2 It provides a winning execution at the point of sale

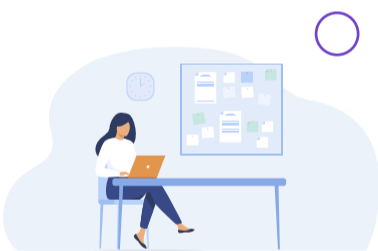

3 It's standard and configurable

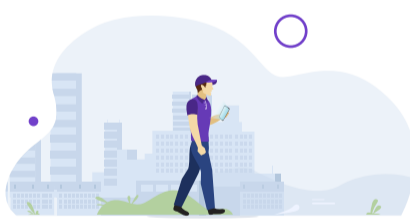

With X\$ales® SFA, all your Sales' key players are driven by powerful data and insights that come directly from the field, enabling them to make better decisions and achieve Business revenue goals.

Back-office

- ERP Centric (smooth integration).
- Full visibility (third party distribution)
- Out-of-the-box integration to our Supervisor's tool: X\$ales® Maps

Sales Reps

- Business rules in their hands.
- Mobile App with the widest functional scope.
- More sales & highest quota achievement.

Customers

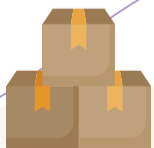

- Great Service experience.
- Brand loyalty & acknowledgment.
- Benefits & Promotions.
